Ibiza Personal Camp 2021

- Lifeflow-Management -

Niedernhausen, den 07. Juli 2021

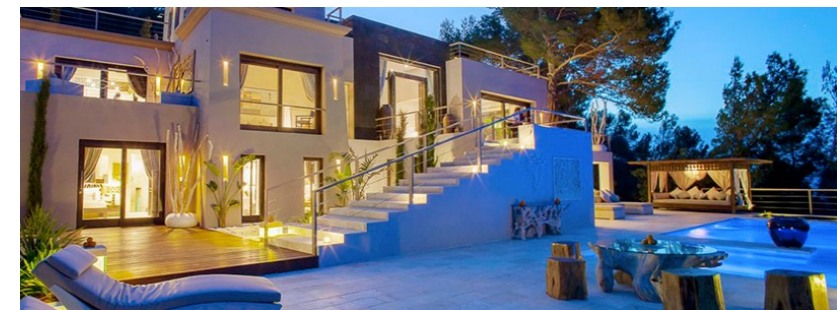

# Background

- Time is one of the most important goods in our society. So use your time efficiently, do meaningful things and combine things with each other, but without stress!
- Learn from the best, the best and most efficient way to achieve your goals!
- Learning by doing, the fastest way to your sustainable success!
- You can find the balance in your life, ideally with our lifeflow management!

# ... Background

- Learn to find your goals and, above all, to achieve them. No matter which one it is!
- Develop yourself in an optimal environment and create a lasting experience that will motivate you in the future!
- “Don't do anything that someone else can do for you” (J.D. Rockefeller); lean back and let others take care of everything!
- Experience Ibiza on a new level thanks to our contacts, our know-how and the corresponding service!

# IPC 2021

- In order to meet all the previous points, we have developed the “Ibiza Personal Camp 2021” and are now offering you the exclusive opportunity to optimize your lifeflow management in this camp!
- The implementation takes place in an individual camp or with a maximum of 5 people in Ibiza in summer 2021 (dates to be defined).
- An individual plan is developed for each participant as part of the camp, based on the following method: listen and learn, implement with guidance, repeat with motivation and then take it home with you!

# ... IPC 2021

- We will actively take care of the following points with you, in line with the backgrounds listed above:
  - **Target definition and target achievement** -> through coaching with help from visualization and other techniques.
  - **Training / workout** -> which workout is the right one for you and how do you do it correctly!
  - **Diet** -> what is the right diet for you?
  - **Lifestyle, application and motivation** -> with our Insider VIP program that gives you a very special experience in Ibiza and you're in the right place at the right time.

# ... IPC 2021

- In short: we fly to Ibiza and combine elementary coaching with a VIP stay on the island of the rich and beautiful.
- All contents of the camp are designed to coach you to the extent that you can then manage your lifeflow independently.
- Our accumulated knowledge in this unique environment guarantees sustainable success on all levels, our goal is not only to offer you a great motivating experience, but also to optimize your body, your health, your mental and emotional state over the long term.

# Your Coaching-Team – Ibiza Advice

- My name is Chris Kaiser, I am the owner and managing director of Ibiza Advice and have turned my hobby into a job. For over 30 years now, I've been more than just a guest on my favorite island.
- Sport and nutrition are my life, I'm still in very good shape for my age and have completed 3 marathons and achieved a few other goals.
- I am also very connected to the topic of visualization and apply it every day.

# Your Coaching-Team – Ibiza Advice

- In my Ibiza-Insider Network I work with various agencies and contact persons, whom I choose freely as required and cover the following areas, among others: Travel (including private jet), accommodation, rental cars, transfers, tours, boats, yachts, jet skis , Beach clubs, restaurants, clubs (including VIP table), organizing your own parties with DJ, security and catering, villa events, facility service and, above all, insider know-how and contacts for extraordinary events and guest lists, sometimes last minute .
